Welcome to Hospital for Special Surgery

Experts at Their Best

Hospital for Special Surgery is America's leading specialty hospital devoted to musculoskeletal health. We treat every patient with individualized care, from the most common to the most complex cases. Every interdisciplinary team at HSS is committed to providing the highest standard of care to all patients. Every day, we work tirelessly to provide the world's best medical care for patients like you.

HSS Mission

The mission of Hospital for Special Surgery is to provide the highest quality patient care, improve mobility, and enhance the quality of life for all while advancing the science of orthopedic surgery, rheumatology and their related disciplines through research and education. We do this regardless of race, color, creed, sexual orientation or ethnic origin.

Neighborhood Directory

This guide lists some of the businesses, restaurants and services located within a few blocks of the Hospital. We hope that it will help you feel more comfortable during your stay at HSS.

The HSS Neighborhood Directory does not represent an endorsement of the establishments listed in this booklet. Businesses have a high turnover rate in New York, so we apologize in advance for any inaccuracies. We welcome your comments and suggestions.

Please do not hesitate to ask any of our staff for help with directions. We will gladly help.

Providing Feedback

We want to hear from you!

As you may know, Hospital for Special Surgery has achieved a national reputation for excellence in orthopedics, rheumatology and patient-centered care. All of us on the HSS team strive to provide you with the care you need to achieve the best health outcomes.

Feedback is a critical component in achieving this excellence. We listen. And we respond, especially when we learn of new opportunities for further improvement.

But another important part of achieving excellence is to know when things go right! We also want to know when our staff members provide outstanding care.

When you have a moment to reflect, we would greatly appreciate hearing from you. Your feedback is important to us. You can send a letter or note to any HSS staff person or to your doctor at the address below. Or, feel free to contact us through the Hospital's website at hss.edu. Otherwise, please address your feedback to:
